

Letter to Hospital Requesting Product Code Labels

Date: _____

To: _____ (name of hospital)

Address: _____

Dear Sirs:

Re: Hernia Surgery on _____

My Date of Birth: _____

My Health Card Number: _____

I am requesting copies of the product code labels for the mesh used in my surgery which was done at your Hospital. Attached is a sample product code label for reference.

Please provide me with copies of the mesh product code labels as soon as possible. The codes are required for my participation in the Kugel Mesh class action against the manufacturers of the kugel mesh products.

Thank you for your assistance.

Yours truly,
